

TYRECHECK DIAL PRESSURE GAUGE RANGE

NOW DESIGNED WITH A DEFLATE VALVE.

EURO CLIP-ON CONNECTOR

With options to choose between a clip-on or twin hold connector.

EASY-TO-READ DIAL GAUGE

Features a clear dial display for users to take accurate reads.

INTERGRAL SWIVEL FITTING

For ease of changing positions, enabling efficient use and improved readability.

TWIN HOLD CONNECTOR

The dual-ended tyre connector provides easy access from both ends.

DURABLE RUBBER OUTER CASING

Designed as a compact and ergonomic product with impact absorbing casing.

BRASS NON-CORROSIVE DEFLATE VALVE

Built to last, it removes an extra step and keeps things simple.

Calibration

0-170 psi/0-12 bar

Resolution

2 psi / 0.1 bar

Unit Options

psi, bar, kPa, kg/cm²

Hose Length

2 ft
